GEOGRAPHIC ANALYSIS

Pre-Lesson:

The Map provided is titled _____.

The author of this map _____ wrote this map in the year _____
AD / BC (Circle one).

To help me interpret this map the legend indicates that:

- a. the _____ icon means _____ (e.g. the ● means a city)
- b. the scale of the map tells me that 1" equals _____ MILES or KM (Circle one).

The compass rose on the map indicates that _____ is the area/location most north and _____ is the area/location most south.

During Lesson:

- Rank the regions that are most impacted by this map? How is that region impacted?
- Identify one modification that can be made to this map that would alter the "story" of this map.

Post-lesson:

R.A.Ps analysis:

Read the map

Ask what is the main idea, and what are the details

Paraphrase by putting the main idea and details into your own words
